RAWABI SWIBER

Rawabi Swiber is an equally shared joint venture company between Rawabi Holding and Swiber Holdings Limited of Singapore. Rawabi Holding has built a solid network of business relationships and expertise in Oilfield Services and Contracting & Industrial Services in the GCC region, particularly Saudi Arabia, over the last three decades; while Swiber has a proven track record as a provider of a full range of Offshore Engineering, Procurement, Installation, and Construction (EPIC); Marine; and Subsea Support Services to the Offshore Oil & Gas Industry. Thus, Rawabi Swiber is able to effectively harness individual strengths to provide synergistic and seamless services to the industry.

Rawabi Swiber offers the following services:

- Offshore Construction Division provides a full suite of services encompassing Engineering, Procurement, Construction, Installation, and Commissioning (EPCIC) to the regional Oil & Gas Industry.
- Marine Services Division offers a variety of services - Ship Repair, Charter of Anchor Handling Tugs, Supply/Crew Vessels, Cargo Barges, etc.
- Subsea Division offers Diving Services and ROV Survey/Inspection Services

Rawabi Swiber is committed to providing value-added services to clients by focusing on safety, quality, on-time delivery, and superior customer support and thereby establishing successful long term partnerships that go beyond the completion of projects.

Rawabi Swiber is determined to become the leading Offshore Services provider in the region.
